8th International Hannah Arendt Symposium: Common World and Democracy in Times of Crisis. On the 50th Anniversary of her Death

June 9-11, 2025 - Santiago, Chile

The International Hannah Arendt Symposium, the leading conference dedicated to Arendt's work in South America, is pleased to announce its 8th edition. Taking place for the first time in Santiago, Chile, the event commemorates the 50th anniversary of Arendt's death by opening up a critical space for reflecting on the topics of the common world and democracy in a moment of regional and global crises. The symposium invites scholars, researchers, and students to submit abstracts that draw on Arendt's thought to critically examine how today's crises may not only signal a state of decline but also possibilities for democratic renewal and the revitalization of the common world.

Abstract Submission Guidelines:

- Presentation title
- Abstract (up to 300 words, excluding bibliography)
- Bibliography (following a standard citation style)
- Times New Roman, font size 12, 1.5 spacing

Please **submit abstracts** to jornadasarendtianas2025@gmail.com, including name, academic degree, and institutional affiliation in the subject line.
